RW INTERIORS' PROJECT TO BE FEATURED ON NECN'S NEW ENGLAND DREAM HOUSE

RW Interiors, a leading interior design firm based in Needham, Massachusetts is pleased to announce a recently completed project will be showcased on NECN's *New England Dream House* to air at **10:30 AM and 7:30 PM on Sunday, April 18th**. The episode repeats on Monday, April 19th, Thursday, the 22nd, Tuesday, the 27th, and Wednesday, May 5th at 3:00 PM.

The featured project is an expansive condo located in Newton. "This project was challenging," states Rebecca Wilson, owner, RW Interiors. "Our client, a single dad, wanted a comfortable, classic space that reflected his style without being too masculine since he wanted his five daughters to feel at home there too. We are all thrilled with the outcome. In fact the master suite in this home received the *Designer Showcase Award* from the International Furnishing and Design Association (IFDA). We are very happy to have it featured on New England Dream House."

New England Dream House is a one hour program on the New England Cable News Network (NECN), featuring tours of beautiful homes throughout New England, explaining the architecture and design philosophy behind the homes and highlighting the craftsmanship and artisans who helped make them extraordinary.

RW Interiors provides a full range of design services, specializing in residences and small offices. In addition to being an active member of International Furnishings and Design Association (IFDA), owner Rebecca Wilson is also a member of ASID. Known for her warm and gracious interiors, Rebecca brings her southern design sensibility to a wide range of projects in the greater Boston area and beyond.

For more information on RW Interiors, call (781) 449-7407, or visit www.rwinteriors.net. The project featured on *New England Dream House* will be available to view on-line beginning April 18th at www.necn.com.
