FOR IMMEDIATE RELEASE, please...
January 4, 2011

**S+H CONSTRUCTION NAMED
BEST OF BOSTON HOME 2011
- Honored as Best Transitional Contractor -**

S+H Construction, Inc. of Cambridge, Massachusetts, one of the greater Boston area's premier residential renovation and custom home building companies, is pleased to be recognized for "Best Transitional Contractor", which is a timeless mix of contemporary and traditional, by the 2011 *Best of Boston Home Awards*. This achievement marks the fourth "Best of" honor for S&H, having been recognized in 2010 as "Best Classic Contractor", 2008 as "Best Kitchen Remodeler", and most notably, in 2007 as the first home industry recipient of the "Best of Boston" for "Best General Contractor".

Boston Home, the sister publication of the venerable *Boston Magazine*, sought the opinion of a cadre of industry building and design experts for their input in selecting what is one of the most highly anticipated honors in the region. *Boston Home* noted about S+H Construction, "pleasing hedge-funders and hedge-trimmers alike requires a skilled workforce, strong industry relationships, and excellent project management. That's precisely how S+H has maintained its fine reputation while balancing a diverse portfolio of projects big and small. The company's most impressive work is also the most challenging to builders – entire home renovations with fussy details in historical neighborhoods."

"We are honored to again be recognized by *Boston Home*," states Doug Hanna, co-president of **S+H Construction**. "We have a great team in place here and they deserve all the credit. Our collaborative approach enables the architecture and construction to work in concert. Every project we do receives our company's sharpest attention to quality, detail, and value. We are all proud to be acknowledged for our efforts."

S+H Construction - a multi-award winning firm - specializes in residential and historic renovations, custom home building, renewable energy, landscaping and site work. Their work is consistently seen in both regional and national home and design publications including *Design New England; Boston Magazine; Boston HOME; New England Home; TRENDS; Fine Home Building; Old House Journal* and *The Boston Globe*, among others. The company also recently was honored by the National Association of the Remodeling Industry (NARI) with the 2010 Silver Award in the category of *Whole House Renovation*.

S+H Construction is located at 26 New Street in Cambridge, MA. For more information, please call (617) 876-8286, or visit the company website at www.shconstruction.com. Follow S+H on facebook at www.facebook.com/shconstruction.
